MR. TUBES LED double

Design by Anton de Groof, 2019

Mr. Tubes is a sturdy lamp design that combines pure functionality with graphical aesthetics. The black- or white coated steel construction holds the led tubes and gives the lamp an industrial look; a straightforward design suitable for various locations. The lamp is dimmable and the adjustable steel cables make it possible to hang the lamp at any height. Mr. Tubes is available as a pendant single, double, floor, wall and chandelier. Or build your own with the Mr. Tubes Led Connect.
