BEADS floor uplight

Design by Anton de Groof, 2018

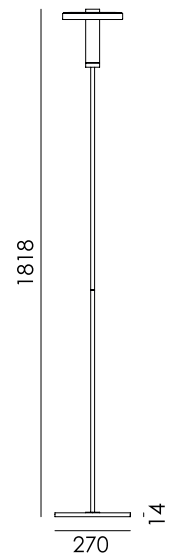

The Tonone Beads collection is designed to fit in every environment. The modest look of the armature, shines when it comes to functionality. With its 360-degree dimmable and pivotable LED ring, the Beads is a solution for any situation. The lightweight Beads lamp is made of black powder-coated aluminium and is equipped with a high-quality integrated LED light source. The fixture of the floor lamp is made of black powder-coated steel. Beads Floor has a sturdy base and a dimmer on the cord. Beads Floor is available in a downlight and uplight variant.
