BEADS table upright

Design by Anton de Groof, 2018

The Tonone Beads collection is designed to fit in every environment. The modest look of the armature, shines when it comes to functionality. With its 360-degree dimmable and pivotable LED ring, the Beads is a solution for any situation. The lightweight Beads lamp is made of black powder-coated aluminium and is equipped with a high-quality integrated LED light source. The fixture of the table lamp is made of black powder-coated steel. Beads Table has a heavy base and is dimmable on the fixture. Beads Table is available in a downlight and upright variant.
