BEADS wall 120

Design by Anton de Groof, 2018

The Beads collection is designed to fit in every environment. The modest look of the armature, shines when it comes to functionality. With its 360-degree dimmable and pivotable LED ring, the Beads is a solution for any situation. The lightweight Beads is made of black powder-coated aluminium and the fixture is made of black powder-coated steel. Beads is equipped with a high-quality integrated LED light source. The Beads Wall 120 can be swivelled. The Beads install is dimmable through an external LED dimmer (not included). The Beads Wall 120 with cord is dimmable on the fixture.
