BEADS 5 in line

Design by Anton de Groof, 2018

The Tonone Beads collection is designed to fit in every environment. The modest look of the armature, shines when it comes to functionality. With its 360-degree dimmable and pivotable LED ring, the Beads is a solution for any situation. The lightweight Beads lamp is equipped with a high-quality integrated LED light source. The Beads 5 in line is a set of 5 Beads pendants with a frame of black powder-coated aluminium. The Beads are adjustable to the desired height. Beads is dimmable through an external LED dimmer (not included).
